- **How I Can Work For You:** As traditional media goes social and social media goes professional, top blogs are becoming increasingly part of mainstream media. I partner with brands and publishers to create a true multimedia experience, focused on meaningful editorial, social media, collaborations, partnerships, and integrated marketing to enrich entertainment and brand experiences.
- **I offer** full multimedia correspondent coverage for live events, web and travel series.
- **I specialize** in arts, style, culture and travel.
